Dislike                  Okay                  Good                  Great                  Love It!

7. Why do you feel that way about math (circle all that apply or write an answer below)? Explain below.

- I don't understand it, too confusing
- It scares me
- I hate doing it
- It's necessary and beneficial, so I do it
- It just makes sense to me
- I've always loved it!!!
